San José State University
San José, California
ANNOUNCEMENT OF POSITION AVAILABILITY
Subject to Budgetary Approval

Specialization: Computer/Software Engineering
Job Opening ID (JOID): 23459
Rank: Assistant/Associate Professor, Tenure-track

The Computer Engineering Department at San José State University invites applications for 4 tenure-track faculty positions at the rank of Assistant or Associate Professor. Areas of particular interest include cloud computing and virtualization, big data analytics, networking, storage, mobile systems, parallel and distributed systems, cyber security, and embedded systems, but other areas in computer and software engineering will also be considered.

Qualifications:
- Applicants must have a Ph.D. in Computer Engineering, Software Engineering, Computer Science, or Electrical Engineering.
- For appointment at the Assistant Professor rank, the candidate must demonstrate potential for teaching and scholarly excellence. For appointment at an Associate rank, the candidate must have a record of broad teaching experience and significant scholarly and professional achievements commensurate with the rank.
- Applicants should have awareness of and sensitivity to the educational goals of a multicultural population as might have been gained in cross-cultural study, training, teaching and other comparable experience.

Responsibilities:
- A faculty member is expected to teach, supervise, and advise students in both undergraduate and graduate programs, and to establish a research program related to his/her field of interest.
- A faculty member will participate in department, college, and university committee and other service assignments.
- A faculty member must address the needs of a student population of great diversity – in age, cultural background, ethnicity, primary language and academic preparation – through course materials, teaching strategies and advisement.

Salary Range:
Commensurate with qualifications and experience.

Starting Date: August 22, 2016

Eligibility:
Employment is contingent upon proof of eligibility to work in the United States.

Application Procedure:
For full consideration, upload a letter of application, curriculum vitae, statement of teaching interests/ philosophy, research plans, and at least three original letters of reference with contact information by February 1, 2016 at apply.interfolio.com/31840

Please include Job Opening ID (JOID) on all correspondence.
Screening of candidates will begin February 1, 2016. The positions remain open until filled.
The Computer Engineering program at SJSU was ranked number one in the nation among public institutions in its category by US News in 2014. Ideally situated at the center of Silicon Valley, the program enjoys close and multi-leveled industry ties and offers ample opportunities for industry collaboration and applied research.

The Computer Engineering Department at San José State University is a leading provider of engineering professionals to Silicon Valley’s high-tech industries. It provides its faculty with opportunities for close collaborative ties with industry and research partners in Silicon Valley. The department serves more than 2500 undergraduate and graduate students and offers BS and MS degrees in both computer and software engineering.

San José State University is California’s oldest institution of public higher learning. The campus is located on the southern end of San Francisco Bay in downtown San José (Pop. 1,000,000), hub of the world-famous Silicon Valley high-technology research and development center. Many of California’s most popular national, recreational, and cultural attractions are conveniently close. A member of the 23-campus CSU system, San José State University enrolls approximately 30,000 students, a significant percentage of whom are members of minority groups. The University is committed to increasing the diversity of its faculty so our disciplines, students and the community can benefit from multiple ethnic and gender perspectives.

San José State University is an Affirmative Action/Equal Opportunity Employer. We consider qualified applicants for employment without regard to race, color, religion, national origin, age, gender, gender identity/expression, sexual orientation, genetic information, medical condition, marital status, veteran status, or disability. This policy applies to all San José State University students, faculty, and staff as well as University programs and activities. Reasonable accommodations are made for applicants with disabilities who self-disclose. Note that all San José State University employees are considered mandated reporters under the California Child Abuse and Neglect Reporting Act and are required to comply with the requirements set forth in CSU Executive Order 1083 as a condition of employment.

A background check (including a criminal records check) must be completed satisfactorily before any candidate can be offered a position with the CSU. Failure to satisfactorily complete the background check may affect the application status of applicants or continued employment of current CSU employees who apply for the position.

The latest San José State University Safety 101 Uniform Campus Crime and Security Report is available. You may request a copy of San José State University’s annual safety report by contacting the University Police Department at (408) 924-2222 or by visiting the University Police Department website at (http://www.sjsu.edu/police).
